GROUP PROFILE ►

Established in Yiwu in 2007, we specialize in providing one-stop custom manufacturing solutions for sewn and knitted products to clients worldwide. After years of expansion, we have established offices in Yiwu, Guangzhou and New York City, supported by a dedicated team of over 200 employees.

We operate with our own R&D department and hold internationally recognized certifications including BSCI, Sedex, Walmart, Disney, QIMA, and NORDSTROM. Leveraging our robust supply chain management and comprehensive customer support systems, we have become a key manufacturing partner for major importers and retail chains across North America, with our market share continuing to grow rapidly.

We place great emphasis on fostering strong partnerships with our suppliers. We are committed to expanding these relationships based on mutual respect, support, and equality for shared success.
